

GROOVEFIX™

GROOVEFIX

Precision groove sharpener brings new life to your golf clubs as it cleans the grooves and restores their original sharpness. The result is greater ball control and backspin.

GREENFIX

Elegant multi-function pitch repairer, club rest and integrated magnetic ball marker. Precisely curved prongs optimised to ensure easy and efficient green repair.

LINEFIX360

Golf ball line marker. Apply a precise line 360° around the circumference of your golf ball to aid more accurate drives, fairway irons and putts. Combine with A•LINE for complete confidence in your putt alignment.

A•LINE

Golf ball marker and putt alignment tool. Confidently putt through your chosen line and watch your one putt percentage improve.
